CHARLEY : We just think it's weird how that happens and it seems like you're getting really defensive so it must be true that you're an alien.

LES:(pulls out gun)

CROWED OF PEOPLE: (gasps)

CROWED: Well you are getting a little carried away.

LES: enough with this nonsense i'm not an alien i'm a normal person just like you , What makes me so different that all my stuff works.
